Internal Quality Assurance Cell

Vision:

To ensure quality teaching-learning culture as the prime concern for the Institution through institutionalizing and internalizing all the initiatives taken with internal and external support. In addition to being a catalyst for intellectual, social, cultural, and economic development, the Institute hopes to be a preeminent transformative learning community that is acknowledged for its innovation, teaching, and commitment to excellence in higher education.

Mission:

Through the pursuit of excellence in education, innovation, lifelong learning, cultural enrichment, and outreach programs, the Institute is dedicated to transforming lives and serving society.

- To provide an academic and professional atmosphere that empowers staff, instructors, and students to contribute significantly to the field's body of knowledge.
- To create academic program structures and procedures in a dynamic, inventive, and adaptable manner.

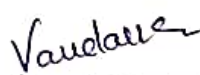

- To generate internationally capable graduates with creative thinking and moral principles for the advancement of society .
- To ensure timely, efficient and progressive performance of academic, administrative and financial tasks.
- To ensure relevance and quality of academic and research programmes.
- To provide equitable access and affordability of academic programmes to various sections of society.
- Setup credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and functioning of the support structure and service
- To improve quality education in the institution and develop minds which can serve society and cultivate moral, social and cultural values with a positive approach.
- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote digitalisation in the Institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Strategies:

- Development and application of quality benchmarks/parameters for the various academic and administrative activities of the institution.
- Dissemination of information on the various quality parameters of higher education.
- Organization of workshops, seminars on quality related themes.
- Documentation of the various programmes / activities leading to quality improvement.
- Acting as a nodal agency of the institution for quality-related activities.

Core Values:

- 1. Academic Excellence:** The Institute aspires to the greatest level of brilliance and unwavering quality in study, teaching, and learning in a variety of subject areas.
- 2. Morality and Ethics:** The Institute maintains the greatest standards of morality, honesty, and a steadfast dedication to academic independence, openness, and responsibility.
- 3. Social commitment and inclusivity:** In all of its efforts to guarantee justice and inclusivity, the Institute pledges to cultivate and maintain a climate of safety, trust, respect for one another, equality, and diversity.
- 4. Environmental Sustainability:** In order to minimize the negative effects of any operations on the environment, the Institute accepts the concept of sustainable development and is conscious of its environmental obligations.
- 5. Service:** By highlighting the link between services, excellence, and career progress, the Institute aims to fulfill the many needs of its constituents in terms of personal and social development and promotes civic involvement, caring, and responsibility.
